Wild Chiefs Game Play Instructions

The Deck

40 Chief cards:

10 Chief Condition, 10 Chief Disability, 10 Chief Benefit, and 10 Chief Fit Issue cards

26 Wild Cards

How to Play

Shuffle and deal each player five cards. Place the remaining deck in the middle of the play area as a draw pile. Turn over the top card to form a discard pile.

The player to the dealer's left goes first, discarding (1) a card that matches the Chief type with the card on top of the discard pile or (2) a wild card. The player must identify the Chief when discarding the card, e.g. *"Malocclusion is a Chief Condition"* or *"I'm using this wild card to change the Chief Benefit."*

If a player does not have a matching card, they must draw cards into their hand until they draw a playable card. If the draw pile is depleted, shuffle the discard pile (except for the top card) to create a new draw pile.

Play proceeds clockwise until one player wins the game by discarding all of their cards.
